A movie poster for "The Fifth Element". At the top, it says "BRUCE WILLIS A LUC BESSON FILM". The central image shows a futuristic city street at night, viewed from a low angle looking down a road lined with tall, dark buildings. In the center of the road, five large, glowing golden pillars or beams of light rise vertically towards the sky. The title "THE FIFTH ELEMENT" is written in large, bold, yellow capital letters across the middle of the poster. Below the title, there is a long line of credits in small white text. At the bottom, a red banner contains the text "WEST END 6 JUNE • ACROSS THE COUNTRY 13 JUNE".
